

Join the Luckiamute Watershed Council Business Circle!

Our mission is to engage communities and landowners in the voluntary protection, restoration, and enhancement of the Luckiamute and Ash Creek watersheds. We work in parts of Polk and Benton counties to keep our watersheds healthy and scenic. Along the way, we protect fish and wildlife and their habitat, and we make it fun and interesting for people of all ages to learn about the delights of nature and how they can help make their watershed a better place.

The business community plays an important role in helping us achieve our mission. Joining the Luckiamute Watershed Council's Business Circle provides an opportunity to expand your reach. It also demonstrates your company's commitment to supporting a thriving and livable community for you and your employees. Since 2001, the work of the Council has resulted in:

- More than 958,000 native trees and shrubs planted
- 623 streamside acres planted along 33 river miles
- 17 barriers to native fish resolved, opening up 32 miles of habitat
- Partnerships with local businesses to host events and bring clientele to their venues
- Connections to more than a thousand volunteers, community members, and landowners

Thank you for the terrific learning experience. I left the tour with such a better appreciation of what "the land" truly means. Trooping along those fields as we did, up close and personal with those plants and the soil, visioning as you do what these areas will look like 10 and 100 years from now. That was schooling. I hope to join you again on another great tour like this.

*-Terry M.,
Luckiamute Resident*

Joining the Luckiamute Watershed Council's Business Circle is an opportunity to help make our community a better place for your employees and customers. It is also an excellent way to engage with the community, demonstrate your values, and broaden your reach by getting your business's name in front an audience that values our local watersheds and all they have to offer.

The Luckiamute Watershed Council is a 501(c)3 tax-exempt nonprofit organization serving local communities in the Luckiamute and Ash Creek watersheds including Independence, Monmouth, Falls City, Dallas, Pedee, and Kings Valley.

Contributions are tax deductible to the full extent of the law. For more information, visit LuckiamuteLWC.org.
